

Reader Rock Garden Endowment Fund

The **Reader Rock Garden** is an historic rockery. It dates from 1913 when **William Roland Reader**, as Superintendent of Calgary Parks, Cemeteries & Recreation moved his family to the then barren hillside and began creating his magnificent rock garden. By 1942, when he retired, the garden had acquired an international reputation, and a species collection of over 4000. After Reader's death in 1943 the Garden went through periods of minimal budgets, and the resulting neglect robbed Calgary of one its finest parks. In 2004 the City of Calgary began the process to restore the Garden to its former glory.

As part of this continuing process, the *Friends of the Reader Rock Garden Society* have established an **Endowment Fund** with **Calgary Foundation**. The proceeds from your generous gifts to the fund will be used for special Garden and education projects. Should you wish to contribute via cheque to this fund, please use this form and forward your contribution to **Calgary Foundation**. For online donations of \$25.00 and over, please click onto: <https://payment.csfm.com/donations/calgaryfoundation/?fund=ROCK2> to receive an instantaneous electronic receipt. With the donor's permission, major gifts (\$500.00 and over) will be recognized on a plaque to be mounted in the Reader House.
